Allowance

1. The following is an examiner's statement of reasons for allowance: With regard to claims 1-23, the prior art of record does not teach a method for determining a response characteristic of an nth order linear system that comprises constructing a variance record and obtaining response characteristics based on a mathematical relationship of the variance record to the response function. With regard to claims 24-31, the prior art of record does not teach a method for determining a response characteristic of an nth order linear system that comprises constructing a variance record and fitting a model to the variance record to find parameters of a response function. With regard to claims 32-34, the prior art of record does not teach a method for determining a response characteristic of an nth order linear system that manipulates pole-zero locations of a pole-zero function to fit the function to a power spectral density record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. The application having been allowed, formal drawings are required in response to this Office Action.
